Material to be sent to us:

- Stereo 44.1 or 48 kHz / 16bit or 24bit
- Volume: - 14dB LUFS

Please send **separate files** for music and sound effects. In case you're sending more than one element for a spot, please insert a beep (one frame in length) before the beginning of the next element.

In case you are sending voice tracks, please send them in a 'clean', untreated fashion (*i.e. not compressed, not limited, without equalizer or any other effect*).
